SECOND STATUS INQUIRY

1. It has been more than twenty-two months (22) since the filing of this patent application on August 26, 2003. Applicant has received no communication from the USPTO concerning this application. Given the fact the application was published on March 17, 2005, under Publication No. 2005-0057403, applicant is concerned with the delay in prosecution of the subject application within the assigned art group.

2. Kindly advise the undersigned attorney of record of the present status for this application.

* Only the date of filing (§ 1.6) will be the date used in a patent term adjustment calculation, although the date on any certificate of mailing or transmission under § 1.8 continues to be taken into account in determining timeliness. See § 1.703(j). Consider "Express Mail Post Office to Addressee" (§ 1.10) or facsimile transmission (§ 1.6(d)) for the reply to be accorded the earliest possible filing date for patent term adjustment calculations.
